Overview

This course is suitable for those with Special Educational Needs and Disabilities (SEND).

Our qualification will develop your maths, English and IT skills and cover career skills including: gardening, catering & hospitality and art.

What you'll learn

You will develop your skills in English, Maths & ICT together with completing a course of units which will prepare you for work related skills and experience at and beyond college.

Units may include vocational topics such as Horticulture, Catering & Hospitality, as well as Art & Design and Career and Self-Assessment.

You will undertake throughout the year special projects related to your learning, for example organising a major event, planning trips out, inviting guests to support your learning, for example the local fire brigade and representatives from Connexions and training.

Assessments / Exams

You will complete units for your BTEC Certificate which will be assessed by your tutor and internally verified. You will sit Functional Skills tests in English, Maths & ICT

Entry requirements

None. You will have an interview and an assessment at Rush Green.

What this course leads to

You could progress to the next level which is called New Directions or possibly a mainstream course depending on your progress.
