## Overview

This course incorporates acting, movement & dance and aims to develop skills to create an all-round 21st-century performer.

## What you'll learn

The course focuses on developing a wide range of knowledge & skills and includes exploring different ways of working in various Performance Styles, Creating material through physical theatre, movement & text and planning a creative career. Much of the course involves practical explorations and public performances alongside project-based work as well as building a personal Portfolio.

Units studied include:

- Exploring Performance Styles

- Creating Performance Material
- Performing to an Audience
- Planning a Career in the industry

You will study in a creatively rich environment, the Broadway Theatre in Barking. A working theatre, which is managed by Barking & Dagenham College, as well as being home to our School for the Performing Arts & Technical Theatre. You will also have access to the theatre stage for both rehearsal and performances.

You will work collaboratively with other students on productions both at the Theatre and at other venues, and you will have the opportunity to choreograph your own vibrant and innovative pieces.

## Assessments / Exams

All Assessments are internal and use a of methods which include: Practical workshops, Performances, written assignments, reflective logs & digital documentation of process.

## Entry requirements

You should have at least 4 GCSEs at level 4 or above, or grade A\* - C, including Maths and English, and one performing arts subject.

Admission to the course is by interview.
