Overview

Mental health problems affect around 1 in 10 children and young people. These issues include depression, anxiety and conduct disorder and can often be a direct response to occurrences in their lives.

Emotional wellbeing is just as important as a child's mental health. Therefore it is important for those looking after or working with children and young people, to have a good understanding of the concepts, risk factors and impact of mental health.

This online course will teach you about supporting children and young people's mental health and emotional well-being. You will learn about issues facing children and young people like depression, anxiety and conduct disorder, as well as factors that affect their mental health and the impact mental health problems can have on them and their lives.
