Overview

The Site Carpentry Level 2 Diploma (City and Guilds) involves advanced carpentry skills and is suitable for those pursuing a career in site carpentry.

This course will provide you with the underpinning skills required for a career in this field of work

What you'll learn

On this course, you will learn site carpentry skills including:

- Timber frame walling
- Roofing and flooring
- Kitchen fitting
- Door fitting
- Stair installation

Assessments / Exams

Assessments will be carried out in both your practical techniques and knowledge of the theory behind these techniques; in addition there are two external exams covering health and safety and principles of construction.

Entry requirements

You will need to have GCSE Maths, English Language and two additional subjects at grade 3 (D) or above.

As part of the application process you will also be asked to explain why you want to study this course, so that we can ensure any course offer made aligns to your career goals.

What this course leads to

This course can lead to further study within the construction industry or potentially allow you to gain a apprenticeship or work placement within this field.
