## Assessments / Exams

You will need to build an evidence-based portfolio throughout this course.

## A typical week

You will study 6 hours per week, plus 5 Saturday workshops covering various topics relevant to your qualification.

## Entry requirements

You'll need to have gained the Level 2 and 3 counselling skills and theory to be able to study on our level 4 programme.

You'll also need to source your own placement for the 2nd year of the programme.

Entry to this course is dependent on the outcome of a Disclosing and Barring Service (DBS) check.

## Links with employers

You'll volunteer as a counsellor and will need to achieve a minimum of 100 supervised hours in a formal counselling agency. Your placement will give you further work experience and contact with employers.

## What this course leads to

Successfully completing the course means you can progress to Level 5 Diploma in Psychotherapeutic Counselling, which will enable you to work in private practice. You could also move on to study at degree-level in counselling.
