Overview

This course would suit you if:

- You've successfully completed the Level 1 Award in Bookkeeping
- You're aged 16-19, studying full-time and want to pursue a career in accountancy, finance or business
- You want to develop broader business skills to enhance your job prospects
- You're already working in finance but want a qualification to improve your career prospects
- You want to work in bookkeeping in a large company's finance department
- You're self-employed and need to learn how to do your own bookkeeping

What you'll learn

You'll learn how to perform basic finance tasks required by employers.

Units within the course include:

- Introduction to Bookkeeping

- Principles of Bookkeeping Controls
- Principles of Costing
- The Business Environment

Assessments / Exams

You'll need to complete online assessments for:

- Introduction to Bookkeeping
- Principles of Bookkeeping Controls
- Principles of Costing
- The Business Environment

There will also be an online end-of-course assessment Introduction to Bookkeeping, Principles of Bookkeeping Controls and The Business Environment.

Entry requirements

You will need to have GCSE Maths, English Language and two additional subjects at grade 4 (C) or above.

As part of the application process you will also be asked to explain why you want to study this course, so that we can ensure any course offer made aligns to your career goals.

Our teaching staff

Tutors are qualified accountants with years of experience in industry and in delivering AAT qualification courses.

Links with employers

Work experience can help develop your skills and improve your job prospects for the future.

During the course you'll also have the chance to enter the BASE Competition for Accounting & Business students and attend the Accountex Conference. Both are great ways to make contacts and improve your employability.

What this course leads to

Successfully complete this course and move on to the AAT Level 3 Diploma in Accounting.
