Level 3

AAT Accounting

AAT Advanced Diploma

Duration	Location	Starting	Age	Careers
1 year	Rush Green Campus	Sept 2027	Adult 19+ 16-18	Finance & Accounts

Course fees per year

> This course is free for learners aged 16-18. Tuition fees for adult learners are from £1,200 - £1,840. However, if you're an adult learner and don't hold a Level 3 qualification already, then you could be eligible to study this course for free under the National Skills Fund.

The above fees include tuition and exam fees.
You may be eligible for an Advanced Learner Loan to help with the course fees. Contact us to discuss what Financial support is available.

Overview

This course would suit you if:

- You've successfully completed the Level 2 Foundation Certificate in Accounting
- You're studying full-time and want to pursue a career in accountancy, finance or business
- You're looking for an alternative to A Levels
- You want to develop broader business skills to enhance your job prospects
- You're already working in finance but want a qualification to improve your career prospects
- You want to work in bookkeeping in a large company's finance department
- You're self-employed and need to learn how to do your own bookkeeping
- You're looking to change career

What you'll learn

Building on the knowledge gained at Level 2, this course includes study units in:

- Financial Accounting: Preparing Financial Statements

- Management Accounting Techniques
- Business Awareness
- Tax Processes for Businesses

Assessments / Exams

You'll need to complete online assessments for:

- Financial Accounting: Preparing Financial Statements
- Management Accounting Techniques
- Business Awareness
- Tax Processes for Businesses

Entry requirements

You will need to have GCSE Maths, English Language and two additional subjects at grade 4 (C) or above.

As part of the application process you will also be asked to explain why you want to study this course, so that we can ensure any course offer made aligns to your career goals.

You will need to have completed AAT Level 2 Certificate in Accounting with a MERIT to start this course. You will also need basic IT skills.

Our teaching staff

Tutors are qualified accountants with years of experience in industry and in delivering AAT qualification courses.

Links with employers

Work experience can help develop your skills and improve your job prospects for the future.

During the course you'll also have the chance to enter the BASE Competition for Accounting & Business students and attend the Accountex Conference. Both are great ways to make contacts and improve your employability.

What this course leads to

On successful completion of this course you can progress to studying AAT Diploma in Professional Accounting units at Level 4.
