Overview

Learn to speak English with us. Our English for Speakers of Other Languages (ESOL) course can help you learn how to speak, write and read English.

What you'll learn

You will develop your English listening, speaking, reading and writing skills and improve vocabulary and grammar. In addition, you will study personal and social development. You will learn computer skills combined with ESOL learning and use of video, digital camera and ESOL computer programmes.

You will be prepared for the national ESOL Skills for Life exams in Reading, Writing and Listening and Speaking.

You will use computers to help learn English and to use Moodle, our virtual learning environment, which contains lots of information and activities that you can get to from any computer that has access to the internet.

Assessments / Exams

You can do an Edexcel ESOL exam at the end of each term, if you are ready. There are exams in Reading, Writing and

Speaking & Listening. You will also complete an assignment each term.

You will also complete a certificate in Personal Progress.

Entry requirements

You'll need to complete an assessment so we can ensure you're studying at the right level.
