How do apprenticeships work?

If you prefer a more practical style of learning, an apprenticeship or higher apprenticeship could be the ideal option for you. They enable you to learn on the job and gain nationally recognised qualifications at the same time. [Find out more about apprenticeships.](#)

Overview

Painters and Decorators operate in domestic and commercial properties and undertake the decoration and protection of buildings.

What you'll learn

During the programme modules will include:

- Health and Safety
- Work Methods
- Identifying and responding to customer needs
- Construction industry and building methods
- Product and specification information
- Preparation, Application and Removal
- Effective communication in a team, with clients or with management

Assessments / Exams

To achieve the apprenticeship standard all components must be completed, including Functional skills at the required level

if the apprentice doesn't have exemptions. All apprenticeship standards include an end point assessment which is required to complete the standard.

Entry requirements

To join this apprenticeship programme, you will need English and Maths GCSEs at grade 3(D) or above.

Alternatively, you need to be working at a minimum initial assessment base line of level 1 in E&M

What this apprenticeship leads to

Upon successful completion of the Painter and Decorator programme learners can choose to continue their development through a Level 3 Apprenticeship.
