Overview

This programme is for any learner who wishes to have a career in the film industry.

All learners will develop the skills, knowledge and understanding they require to progress onto further education or training in related subject areas. They will also develop their creative skills which are valued in other creative areas.

What you'll learn

Learners will learn a range of skill through several different units. The units delivered on this programme are; Skills Development; Creative Media Project; Personal Development; Responding to a Creative Brief.

Assessments / Exams

All learners will be assessed via internal assignment briefs. There are no external exams on this programme.

Entry requirements

You will need to have GCSE Maths, English Language and two additional subjects at grade 3 (D) or above.

As part of the application process you will also be asked to explain why you want to study this course, so that we can ensure any course offer made aligns to your career goals.

Our teaching staff

All our teaching staff are highly skilled, enthusiastic and experienced in the Film industry.

Links with employers

We have many links with high profile organisations in the Film industry.
