Overview

This course is ideal for you, if you're interested in a career in the beauty industry, allowing you to learn, develop and practice the skills required for employment and career progression.

This is a technical level qualification designed to develop your practical beauty therapy skills.

What you'll learn

On this course, you will learn:

- Health and safety practice in the salon
- Client care and consultation
- Body analysis
- Swedish massage therapy
- Facial electrotherapy treatments
- Body electrotherapy treatments
- Electrical science
- Mechanical massage

- Anatomy and physiology for the face and body

Assessments / Exams

You will be assessed through practical assessments, exams and a portfolio of evidence.

Entry requirements

You will need to have GCSE Maths, English Language and two additional subjects at grade 4 (C) or above.

As part of the application process you will also be asked to explain why you want to study this course, so that we can ensure any course offer made aligns to your career goals.

What this course leads to

On completion of this course, you will be ready to confidently enter the beauty industry, with a wide range of opportunities available, from working in salons, spas, health suites, cruise ships, to even starting your own business. You will also be able to progress to higher education.
