Overview

Gain the skills to become a trained bricklayer!

These skills will mean you can work on housing sites, city developments, domestic extensions like conservatories - and on new buildings, conversions and repairs.

As a bricklayer you might want the security of site work - but you could also start your own business.

Your journey starts here!

What you'll learn

On the Level 1 course in Brickwork, you'll develop practical skills and learn about subjects including:

- Brickwork, blockwork, brick bonds
- How to read building drawings
- Technical drawing
- Foundations
- Calculating materials

- Estimating
- Communications in construction

Assessments / Exams

- Ongoing practical assessments
- Tests for each 'unit' subject
- An end-of-year online exam

Entry requirements

You will need to have GCSE Maths, English Language and two additional subjects at grade 2 (E) or above.

As part of the application process you will also be asked to explain why you want to study this course, so that we can ensure any course offer made aligns to your career goals.

What this course leads to

Your Level 1 Diploma will lead you into the Level 2 year.

Following on from Level 2, you can enter the trade, building evidence of work completed. This will help you in progressing towards a recognised Level 2 NVQ award.
