Overview

The UAL Foundation in Fashion is a dynamic 1-year course designed to prepare you for a successful career in the fashion industry.

Throughout the course, you will have the opportunity to explore various fashion disciplines, experiment with a range of materials, methods, and approaches, and build a comprehensive portfolio of work.

With real 'live' project briefs and opportunities for work experience and placements, including in European cities, this three-term programme provides the foundation you need for further study or to begin your career in fashion.

ual: university of the arts london

What you'll learn

As a student on the UAL Foundation in Fashion course, you will cover a wide range of fashion disciplines, including:

- Fashion Design
- Workshop Production Methods
- Textile Techniques
- Fashion Promotion
- Magazine Design
- Fashion Marketing
- Business Enterprise
- Fashion Styling
- Branding

Assessments / Exams

You will be assessed by coursework, portfolio, presentations and work-based assessment.

Entry requirements

You will need to have GCSE Maths, English Language and two additional subjects at grade 4 (C) or above.

As part of the application process you will also be asked to explain why you want to study this course, so that we can ensure any course offer made aligns to your career goals.

What this course leads to

The skillset you'll have built during the course's duration sets you up for entering the creative fashion industry or progressing onto the fashion degree programme.
