Overview

This course is designed around practical skills and tasks that place an emphasis on demonstrating what you can do rather than what you know in theory.

Throughout the course you'll develop a range of transferable skills, such as teamwork and communication, in order to complete tasks and demonstrate a level of achievement to progress to the next level of study.

What you'll learn

On this course, you will study two units:

- Skills for Learning
- Team Challenge

The following units are optional:

- Finding out about a topic
- Presenting to others living with online technology

Assessments / Exams

You will be assessed through coursework, assignments and exams.

Entry requirements

You do not need any official qualifications for this course, however, you will need to demonstrate a passion for the subject and commitment to learning.

What this course leads to

On successful completion of this course, you can progress to BTEC Level 1 Introductory qualifications in Vocational Studies.
