Overview

This course is for you if you have an interest in creative activities involving art & design elements.

What you'll learn

On this course you will have the opportunity to learn skills and techniques from various different pathways, fine arts, 3D, textiles and photography.

You will undertake a range of assignments that will introduce you to a variety of Art and Design Specialisms.

You will also gain valuable visual language skills through a series of Contextual Studies where you will learn about the work of other Artists and Designers from the creative industries.

Assessments / Exams

Students performance is graded via a combination of practical and written coursework. Course units are assessed throughout the year, building towards a final project which brings together the various skills you have learned.

Entry requirements

There are no formal entry requirements for this course, however, you will need to demonstrate a passion for the subject and commitment to learning.

What this course leads to

Dependent on your entry grades and achievements on this course, you will either achieve an Entry Level Certificate or a Level 1 Award. You will require the full Level 1 Award to progress to Level 2.
