

Level 4

# Construction Surveying Quality Technician

## Apprenticeship

Duration	Location	Starting	Age	Careers
156 weeks	Rush Green Campus	Flexible dates	16-18 Apprenticeships	Construction Design & Site Management

### How do apprenticeships work?

If you prefer a more practical style of learning, an apprenticeship or higher apprenticeship could be the ideal option for you. They enable you to learn on the job and gain nationally recognised qualifications at the same time. [Find out more about apprenticeships.](#)

## Overview

This Apprenticeship will teach you the responsibilities of assessing the requirements and feasibility of a building project and procuring the materials and labour needed.

## What you'll learn

On this Apprenticeship, you will learn:

- Health and Safety
- Sustainability
- Construction technology
- Contracts
- Procurement
- Cost control
- Financial reporting of construction projects

## Assessments / Exams

To achieve this Apprenticeship standard, you will be assessed through a knowledge test, project and professional discussion.

## Entry requirements

You will need to have GCSE at Grade 4 or above in English and Maths, as well as a Level 3 Diploma in Construction and the Built Environment.

## What this apprenticeship leads to

On completion of this Apprenticeship, you will be able to progress onto Higher Education.
