Contact us to discuss what Financial support is available.

## Overview

This course is designed for young people aged 16-18, or up to 24. All learners must hold an EHCP who have Special Education Needs.

You may have special educational needs and disabilities such as behaviour emotional and social difficulties (BESD) Autistic Spectrum Disorder (ASD), mild learning difficulties (MLD) and moderate learning difficulties (MLD) attention deficit hyperactivity disorder (ADHD) and opposition defiant disorder (ODD).

## What you'll learn

This course focuses on preparing you for life after education. We work closely with the local community, including social workers and key stakeholders, to support you.

Throughout the programme, you'll have the chance to develop important skills and build relationships in your community, helping you become more independent.

This course covers:

- Maths
- English
- Personal, social and health education (PSHE)
- Employability
- Community Engagement

Additionally, this course gives you the opportunity to ensure you have the support needed as you finish the academic year.

## Assessments / Exams

Your Individual Learning Plan will be designed to meet your needs and develop the skills that will help you make progress towards your future goals.

## Entry requirements

This course is designed for young people aged 16-18, or up to 24. All learners must hold an EHCP who have Special Education Needs. Please note that all applicants go through an assessment/interview process to ensure that they are offered the course that is best suited to them

## What this course leads to

On completion of this course, learners will feel more confident with developing responsible attitudes, fostering relationships, taking steps to safeguard themselves and others along with learning English and maths and RARPA based curriculum.
